bowling-a-thon

sponsorship package 2012

Thank you for taking the time to consider supporting the 2012

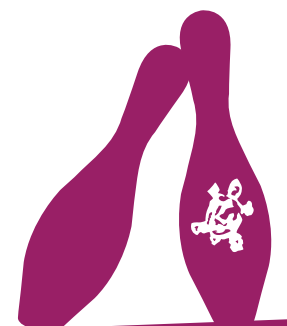

CAMP JUMOKE bowl-a-thon

Camp Jumoke is a children's charity providing ongoing programs and activities for children living with Sickle Cell Disease.

The mission of the Camp Jumoke Organization is to enhance the lives of children across Canada affected with Sickle Cell Disease. Contributions help send kids to a camp that is medically supervised by Doctors and Nurses from SickKids and other Greater Toronto Area hospitals, where they can participate in outdoor activities, develop lifelong memories and relationships, enhance their self-esteem, create support networks and so much more.

In addition to recreation camp programs, Camp Jumoke provides educational support to children both in and out of the hospital, a mentorship program to help young adults develop as role models and continue to distribute a scholarship for post secondary education on an annual basis.

It costs over \$2000 to send each child to camp for 2 weeks. This year we sent 28 children to camp for 2 weeks and 4 children to camp for the new one week introductory program. In addition, 7 young adults took part in our leadership/mentorship program and represented CJ with such amazing pride.
