MEET THE CAMP JUMOKE POSTER CHILD

Our Poster Child and Beverley Mascoll Scholarship winner for 2011-2012 is

Ndidi Arimah.

She will be presented with her award at our Scholarship Award dinner at Capitol Banquet Hall in Mississauga on Saturday, November 12. Please come out and meet her.

In excerpts from her essay for the Poster Child competition, Ndidi tells us about herself:

My name is Ndidi Arimah. I am 12 years old and I am going into Grade 7 at St. Elizabeth Catholic School in Bowmanville, Ontario. I have had the opportunity of going to camp for three straight years and the experiences I have had each time leave me looking forward to the next year with a lot of expectations.

Camp has helped me to build my self confidence. Because of the camp experience, I am now able to stand in front of a crowd with confidence and do presentations and other activities that put me in the public view.

Because I have had all these wonderful and life-changing experiences and a great time at camp over the last three years, I think I would be a good poster child for Camp Jumoke, to speak to other children with sickle cell about the positive impact Camp Jumoke will have on their lives.

Scholarship Award Dinner and Dance

Camp Jumoke's Annual Scholarship Award Dinner will take place on Saturday, November 12 at Capitol Banquet Hall, 6435 Dixie Road in Mississauga.

Dr. Isaac Odame from the Hospital for Sick Children will be our keynote speaker.

The Honourable Jean Augustine, the Fairness Commissioner, will be our guest speaker.

Please come out and support a worthy cause and help to send even more children with Sickle Cell Disease to camp.

United Way Donations

Remember, you can donate to our charity through your workplace United Way donations. We welcome your support. Our contact information is at the end of this newsletter.

JULY 31, 2011

Departure for camp

32 campers attended camp in 2011.
75% needed help from our health care team
at some point during the camp session.
It's interesting to note that 75% of the visits
were during the second week of camp.

Departure Day, July 31, 2011.

With the help of our dedicated medical staff of volunteers the campers are ready to go. The nurses have checked each child and packed their medication for the trip to camp.

◦Thanks to our dedicated health care team for 2011
